

Cabanga - card game

Cabanga is a very fun game that is quite fast paced and brilliant ~~to~~ with friends. The objective of the game is to match and get rid of your cards and ~~if~~ you have the same card as ~~the~~ your ~~friend~~ friend, you can throw that card at your friend and he or she will keep that card. Personally my favourite part of the game was how quickly you have to play and the fact that you throw the cards at your opponent. I ~~am~~ think this game would be good for ages 5 and older because it is a little bit tricky to get your head around and especially with the fast pace. I would definitely play this game ~~again~~ again and probably on a game night. In conclusion, this game is good for friends and family and perfect if your bored, I rate it 4.5 out of 5.
